MEDIA RELEASE

Atlanta Electricals Limited Wins ₹297.71 Crore Orders from Gujarat Energy Transmission Corporation

Anand (Gujarat), November 26, 2025: Atlanta Electricals Limited (**NSE, BSE: ATLANTAELE**), a leading manufacturer of power transformers, received two orders from Gujarat Energy Transmission Corporation worth **₹297.71 crores** on the same day. The orders comprise 25 transformers to be supplied that includes **twenty-one** 220/66 KV, 160 MVA Power Transformers, **three** 66/11.55 KV, 20 MVA Power Transformers and **one** 220/132 KV, 150 MVA Auto Transformer.

These orders reinforce Atlanta Electricals' position as a trusted partner in the Indian power sector and highlight the company's commitment to delivering engineering excellence and reliable transformer solutions. With over 30 years of industry experience, Atlanta Electricals continues to support India's power infrastructure needs and maintain its reputation for quality and innovation.

Mr. Niral Patel, Chairman and Managing Director, Atlanta Electricals Limited, stated, "Securing these orders from Gujarat Energy Transmission Corporation is a testament to our dedication to quality and customer trust. We remain focused on advancing power infrastructure nationwide through our innovative transformer solutions."

About Atlanta Electricals Limited

Atlanta Electricals Limited manufactures and supplies a wide range of power transformers starting from 5 MVA (megavolt-ampere)/11 kV (kilovolt), 200 MVA/220 kV, up to 500 MVA/765 kV as well as auto transformers, inverter duty transformers, furnace transformers, generator transformers and special duty transformers in India, at its five facilities in Gujarat and Karnataka. With over 30 years of experience and as of March 31, 2025, the Company has supplied 4,400 transformers, totalling to 94,000 MVA, across the country.
