APPROVING THE KEY PERFORMANCE INDICATORS (“KPIs”) PROPOSED TO BE DISCLOSED IN THE OFFER DOCUMENTS FOR THE INITIAL PUBLIC OFFER OF ATLANTA ELECTRICALS LIMITED (“THE COMPANY”)

The Committee was informed that the Company is required to disclose KPIs (*as defined below*) in the Offer Documents (*as defined below*) prepared and issued in connection with the proposed initial public offering (“Offer”) of equity shares of the Company bearing face value of ₹2 each (the “Equity Shares”). Such KPIs are required to be identified and disclosed in accordance with the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended (the “SEBI ICDR Regulations”) and the SEBI circular no. SEBI/HO/CFD/CFD-PoD-2/P/CIR/2025/28 titled “*Industry Standards on Key Performance Indicators (“KPIs”) Disclosures in the draft Offer Document and Offer Document*” issued on February 28, 2025 read with the Industry Standards on Key Performance Indicators Disclosures in the Draft Offer Document and Offer Document (“KPI Circular”) and the ‘Technical Guide on Disclosure and Reporting of Key Performance Indicators (KPIs) in Offer Documents’ dated April 2023 issued by the Institute of Chartered Accountants of India. The Audit Committee is required to approve the key performance indicators relating to the Company and proposed to be disclosed in the red herring prospectus (“RHP”) and the prospectus (“Prospectus” and collectively with the UDRHP and RHP, the “Offer Documents”) with the Registrar of Companies, Gujarat, Dadra and Nagar Haveli, at Ahmedabad and subsequently with BSE Limited and National Stock Exchange of India Limited (collectively, the “Stock Exchanges”), after following the process set out in the KPI Circular.

The Audit Committee was apprised that the KPI Circular provides the principles and processes for the selection of key performance indicators (key numerical measures of the Company’s historical financial and/or operational performance, which the management of the Company evaluates and tracks to monitor the performance of the Company and which provides information to investors to make an informed decision with respect to valuation of the Company) (“KPIs”).

The KPI Circular also requires the management of the Company to shortlist the KPIs from the information on the Company’s historical financial or operational performance collated by the management for disclosure in the Offer Documents after considering the factors set out in the KPI Circular. Further, in accordance with the KPI Circular, the KPIs selected for disclosure in the ‘Basis for Offer Price’, ‘Our Business’ and other relevant sections of the Offer Documents are required to be certified by the managing director, executive director, chief executive officer, or chief financial officer on behalf of the management of the Company (“Management Note”). It also sets out that the Institute of Chartered Accountants of India (“ICAI”) issued in April 2023, a ‘Technical Guide on Disclosure and Reporting of Key Performance Indicators (KPIs) in Offer Documents’ providing guidance to the members of ICAI and other professionals who are certifying KPIs disclosed in the offer documents. Furthermore, it was set out that the Audit Committee is required to confirm that it has verified all the KPIs based on the KPI Circular that it includes, amongst others, financial and operational information shared with the board of directors of the Company and investors, in the three years period prior to the date of filing the Offer Documents. The Audit Committee also noted that determination of KPIs is required to include information shared with Promoter and Promoter Group of the Company as holders of securities of the Company. The Audit Committee also noted the requirement of including the resolution passed by the committee in this regard with necessary attachments along with the note to be issued by independent chartered accountant being the statutory auditor in this regard in the list of material documents for inspection in the Offer Documents.

The Audit Committee was presented and it took note of the following data prepared by the management, pursuant to the SEBI ICDR Regulations and the KPI Circular:
