Press Release

Atlanta Electricals Ltd secures Rs 190 cr order from Rajasthan Rajya Vidyut Prasaran Nigam Limited (RVPN)

~ Company wins order for supply of 53 units of 50 MVA 132/33 KV Power Transformers ~

Anand (Gujarat), May 2, 2026: Atlanta Electricals Limited (NSE, BSE: ATLANTAELE), a leading manufacturer of power transformers, has won a Rs 190 crore order from the Rajasthan Rajya Vidyut Prasaran Nigam Limited (RVPN) for the supply of 53 units Power Transformers.

As per the Notification of Award received from RVPN, the order consists of supply of 53 units of 50 MVA 132/33 KV Power Transformers along with 53 Nitrogen Injection Fire Prevention and Extinguishing System (NIFPES) with an aggregate order value of approximately Rs. 190 crore.

“This order from RVPN reflects the continued trust of our long-standing customer and underscores our strong execution capabilities. It highlights the breadth of our product portfolio across the transmission segment and shall improve capacity utilisation across our manufacturing facilities, further strengthening our engagement with state utilities and supporting India’s grid modernisation,” said **Mr. Niral Patel, Chairman and Managing Director, Atlanta Electricals Limited.**

The rate contract by RVPN has been awarded for a period of two years, with provision for extension in line with the terms of the bid document. The supply is to be executed as per the technical specifications and commercial terms outlined by RVPN under the relevant bid reference.

This order further strengthens Atlanta Electricals’ presence in the domestic Power transmission segment and reinforces its capability to deliver high-capacity, technically advanced power transformers to leading state utilities.

About Atlanta Electricals Limited

Atlanta Electricals Limited manufactures and supplies a wide range of power transformers starting from 5 MVA (megavolt-ampere)/11 kV (kilovolt) up to 500 MVA/765 kV as well as auto transformers, inverter duty transformers, furnace transformers, generator transformers and special duty transformers in India, at its five facilities in Gujarat and Karnataka. With over 30 years of experience and as of December 31st 2025, the Company has supplied 4,710 transformers, totaling to 1,07,229 MVA, across the country.
