LETTER OF APPRECIATION

Dear Er. Amit Kumar

I am writing to express my sincere appreciation for your hard work you have done at 66 KV Sanouri Adda grid sub station (Patiala), to rectify the internal fault of 20 MVA power transformer (Make Atlanta, Sr. No. 1302/210) on dated 11/12-6-2023. Your technical knowledge and effort was instrumental to rectify the fault and enables us to restore the power supply to our valuable consumers in a short time.

We appreciate the effort that you make to maintain a positive attitude even when faced with a challenging situation.

Please keep up the good work.

NOTE:- All CSD team good performance.
